We are hoping to apply for The Fairtrade School Award.

Fairtrade is about better prices, decent working conditions and fair terms of trade for farmers and workers.

**Did you know?** Items that bear this Fairtrade logo are Fairtrade certified, meaning that the price of the item covers both the cost of production and a fair living wage for the workers to cover basics such as food, shelter, clothing, education and medical care. **The Fairtrade logo also represents a commitment to environmental sustainability, empowerment of small-scale producers and fair and safe working conditions.**
